Case No.: 58725US002

**REMARKS**

Claims 19-25 are pending. Applicants note with appreciation the indication of allowable subject matter in claims 19-25. The drawings and specification stand objected to.

Reconsideration of the application is requested in view of the accompanying amendment.

The Examiner has objected to the drawings because some of the drawings include reference characters not mentioned in the description and because the description includes reference characters not shown in the drawings. Applicants have amended the specification to overcome the objection. Specifically, the amended specification properly includes reference numerals 222, 226, 345, 355, 416, 418, 500, 600, 700, 820, 821, 843, 847, 848, 849, 951, 952, 953, 954, 955, 956, 957, 958, 959 and 960, and reference characters L<sub>3</sub>, L<sub>4</sub>, L<sub>5</sub>, L<sub>6</sub>, P<sub>2</sub>, and P<sub>3</sub>. No new matter was added in making these amendments.

Accordingly, it is respectfully requested that the objections to the drawings and specification be reconsidered and withdrawn. It is submitted that the application is in condition for allowance. The Examiner is invited to contact Applicants' undersigned representative with any questions concerning the present application.

Respectfully submitted,
